

## CLUMC CARE TEAM Ministry

The goal of our **CARE TEAM** is to provide compassionate, nurturing and spiritual connections to the church family in all seasons of life as well as provide opportunities for church families to engage and serve together.

Trained caring volunteers connect with people regularly through personal visits, phone calls and prayers. Are you ...

- Unable to attend Sunday Worship?
- Living alone or in Assisted Living?
- Hospitalized or recovering at home?
- Suffering the loss of a loved one?
- In need of support in difficult times?
- Longing for Holy Communion?

... Please call **CARE TEAM** coordinators:
