YOUTH MINISTRY

In Youth Building

CLUMC helps teens find answers to their life questions without judging. We strive to build comfortable loving relationships with our Heavenly Father, our Savior Jesus Christ and The Holy Spirit within us. Smiling faces say "Welcome" as right hands reach out to you with love and left hands offer you understanding.

*"Let's keep a firm grip on the promises that keep us going. Jesus always keeps His word. Let's see how inventive we can be in encouraging love and helping out, not avoiding worshipping together as some do, but spurring each other on, for the big Day." (When we meet Jesus.)
Hebrews 11: 23-24 MSG*
